

Rinjee Gelu Sherpa

Denver, CO • 303-895-8065 • Rinjeesherpa@outlook.com

PROFESSIONAL SUMMARY

Confident and skilled developer with a robust foundation in Python, AWS, and full-stack development. Proven track record of writing clean code, developing scalable solutions, and optimizing infrastructure. Currently honing my skills through the Full Stack Development Bootcamp at the University of Denver, with a focus on HTML, CSS, JavaScript, Node.js, Express, React, and the MERN Stack. Highly motivated to learn and embrace new technologies, with a passion for solving complex problems and driving innovation.

EDUCATION

Full Stack Development Bootcamp | University of Denver | February 2024 – Present

- Acquired HTML, CSS, JavaScript, Node.js, Express, React, and the MERN Stack skills. Developed client-side and full-stack applications focusing on agile methodologies and project management.

AWS Python Developer Certification | Takeo Bootcamp | July 2023 – December 2023

- Gained expertise in developing serverless AWS Lambda functions and designing scalable AWS solutions. Successfully reduced operational costs by 20% through optimization and deployed cloud applications using AWS services like S3, EC2, and RDS.

PROFESSIONAL EXPERIENCE

Manufacturing Technician | Leiters Health | September 2023 – January 2024

- Operated and maintained sterile filling and inspection equipment with precision and efficiency.
- Conducted thorough manual inspections to verify product integrity and adherence to quality standards.

Manufacturing Operator | Terumo Blood and Cell Technologies | November 2022 – September 2023

- Contributed to the efficient manufacturing of medical products, ensuring adherence to stringent quality and safety standards.
- Demonstrated exceptional attention to detail by meticulously following protocols and standard operating procedures (SOPs) to maintain product integrity.

Manager | Sherpa House Restaurant and Cultural Center | 2012 – 2022

- Led and supervised a team of employees, overseeing scheduling, training, and performance evaluations.
- Managed customer reservations and inquiries, resolving issues promptly to ensure exceptional dining experiences.

Water Jet Software Systems Operator | Sherpa Landscaping | 2019 – 2022

- Utilized Maxiem software systems to design and cut various rock classes, showcasing proficiency in technical software tools.
- Expertly managed heavy materials using vacuum lifters and dollies, ensuring safety and efficient warehouse operations

LEADERSHIP AND COMMUNITY INVOLVEMENT

Excursion Leader | Hike for Help | 2017 -2022

- Led and organized expeditions from the USA to Nepal, offering engaging insights into cultural/historical and local sites.
- Provided exemplary hospitality services, ensuring memorable and enriching experiences for travelers.
